CPSC Docket No. 22-1

Respondent.

**ORDER SCHEDULING PREHEARING CONFERENCE**

This proceeding commenced with the filing of a complaint on February 9, 2022. The complaint was published in the Federal Register on February 16, 2022. 87 Fed. Reg. 8,733, 8,804 (Feb. 16, 2022). An interagency agreement for the loan of my services to the Consumer Product Safety Commission was finalized on February 25, 2022. On March 17, 2022, the Chair of the CPSC appointed me as the presiding officer for this proceeding.

Under 16 C.F.R. § 1025.21, an initial prehearing conference shall be held within fifty days of the publication of the complaint in the Federal Register unless “unusual circumstances would render it impractical or valueless” to do so. Due to the timing of my appointment and the public notice requirement, holding a prehearing conference within fifty days of publication is impossible, and therefore impractical. A prehearing conference shall be held as follows:

Date: Friday, April 22, 2022

Time: 1:00 p.m. Eastern Time

Means: Zoom [link provided to those listed in Distribution]

Before the prehearing conference, the parties must confer and discuss the issues listed in 16 C.F.R. § 1025.21(a)(1) through (14). The parties should also discuss a plan for discovery and whether there are issues as to preservation, retrieval, review, disclosure, or production of discoverable information, including issues as to the disclosure or discovery of electronically stored information. The parties should have prepared for the conference, a summary of their discussion as well as proposed procedures and deadlines. The parties should also report whether they have discussed settlement and, if so, whether they believe settlement is possible or likely.

The CPSC should arrange for a court reporter for the prehearing conference. I direct that notice of this conference be published in the Federal Register. 16 C.F.R. § 1025.21(b) (2022).
